Look good no matter how long you have been together

When your relationship gets comfortable you tend to slack a little. One thing that gets affected here is the way we look as we feel that it's OK to be sloppy once in a while. But this complacency sets into the daily way of life. Look and feel sexy if you want your man to keep coming back to you.

Don't even think of being clingy

If you behave in a clingy manner and want to go with your man where ever he goes you are simply suffocating him. He will get bored of you very soon if you continue to do that. Spend some time away from one another and respect each other's space and your man will keep coming back to you.
